V. Disclosures at the Central Level (through the website) :

- All relevant content related to procurement including details of agencies involved
- All relevant content related to transportation including details of agencies involved
- All relevant content related to distribution and linking to state level MIS
- Real-time information on grain movement
- All orders issued by the Ministry, Supreme Court etc. which affect the functioning of the PDS
- Monthly food grains bulletin (with information upto block-level)

VI. Information from other sources (organisations involved in procurement, transportation etc.):

All relevant information related to the PDS must be displayed on the website of the relevant organization and should be linked to the Ministry/Food Department website. Example- Railways, which is involved in transportation of food grains, should display real-time information on movement of grains on its website.
