Government of Jammu & Kashmir Directorate of Rural Development Kashmir

Subject:- Installation of electric meters

CIRCULAR

Despite repeated instruction regarding installation of electric meters in subordinate offices it has been observed that some officers have slept over the issue with the result the Administrative Department has taken serious note of the issue.

It is therefore once again, impressed upon all the subordinate officers that they shall ensure the installation of electric meters in their respective offices, so that the electric bills are paid as per the consumption of electric energy.

The funds under the head "Electric Charge" shall be released by this Directorate in favour of the concerned DDO after the installation of the meters and as per the meter tariff.

The issue may be given top priority and meters should be installed within weeks' time under intimation to this office
