The Project Officer, Wage Employment
(ACD) _____ (All).

No:-DRDK/MIS/18502000

Dated: 25 - 04 - 2016

Subject:- MIS review of MGNREGA and IAY.

Sir,

The Project Implementing Agencies (ACDs/ BDOs) are directed to upload data about sanctioned cases of IAY against the targets of financial years 2013-14, 2014-15 and 2015-16. The problems highlighted by MIS Operators of the districts have been solved. **The entries of 2015-16 must be entered category wise within 03 days.** The link of sanction for has been made available.

For financial years 2013-14, 2014-15 and 2015-16, it is enjoined upon all ACDs to send the list of beneficiaries along with the instalment amount (1st, 2nd and 3rd) given to them also the funds received during these financial years so that the matter is taken with NIC to make the site user friendly within a day through special messenger/mail.

As the link of NREGASoft is linked with AWASoft, it was mandatory to provide 95 days of work to the beneficiary but the districts have failed to do so. There is no scope to enter wrong entry so all the ACDs / BDOs who are doing the actual job are directed to follow the guidelines strictly.

In case of new blocks, the staff registration issue has already been solved still if any block is having any problem, they can mail the block name along with the issue with error screen shots to this office for redressal.

The districts who fail to upload the data shall face the action and would be held responsible for non-release of funds for the current financial year. The ACDs shall report on day to day basis to this directorate, they will also identify the defaulting officers for action.

Yours faithfully

Director
