

Director,
Department of Rural Development,
Kashmir.

Sub: - **5- days Training Programme Series on "Mission Water Conservation (SAKSHAM) sponsored by MoRD, GoI.**

Sir,

As per the advisory issued by MoRD, Government of India on 1st Nov. 2016, convergence among the flagship programmes of MGNREGA, PMKSY and IWMP has been made mandatory with regard to the works like Water Conservation Management, Water Harvesting, Solid and Moisture Conservation, Ground Water Recharge, Flood Protection, Land Development, Command Area Development and Water Management. Given the fact that the State of J&K has a significance incidence of water stressed areas, this Institute has been mandated to develop capacities of the officers in dealing with the aforementioned activities under Mission Water Conservation (SAKSHAM). In this connection the Institute is organising a series of 5 day's Training Programme series on "Mission Water Conservation (SAKSHAM)", sponsored by Ministry of Rural Development, Government of India. The schedule of these training programmes has been drawn by the Institute accordingly.

The programme on Mission Water Conservation (SAKSHAM) as per the schedule is being conducted by the Institute w.e.f May 07-11,2018 at IMPA&RD, Main Campus, M A Road, Srinagar. The Training Programme has been designed for the District Technical Resource Team (DTRT) identified by the Rural Development Department and is meant to provide an opportunity to the participating officers to deliberate on different aspects of the "Mission Water Conservation (SAKSHAM)." Therefore, you are requested to kindly nominate at least ten (10) DTRTs from each of the Districts of Ganderbal, Bandipora & Baramulla to participate in the Programme. The nominated DTRTs may kindly be directed to report to the Institute on 7th of May, 2018 at 10.00 am.

Yours Faithfully,

(Dr. B. A. Kumar)

Course Coordinator
