Minister's (J&K) Commitments in public Darbars.

Sir,

Regarding the captioned subject instructions from time to time have been conveyed to you regarding key construction material required for ongoing execution of works carried under different activities of the department be requisitioned by the subordinate offices and subsequently submitted to the District Level Purchase Committee (DLPC) for its appropriate action. However during the review meeting held with the AEE/AE on 08/01/2018 at the Directorate, it has been surfaced that AEE Block Vessu has purchased the key construction material for foot bridge at Palpora locally at his choice, thus violated the purpose of the Govt. order No.95-RD&PR of 2017 dated: 6.3.2017 where under the powers for arrangement of key construction material vested to the DLPC only.

In this connection I am directed to request that necessary action under rules may be taken with such officers who will violate the orders, besides all the officers of the department connected with the execution of works are responsible for ensuring that the material used at the work sites are from departmental stores and local material shall not be in any case used. It may be noted that the DLPC shall not be responsible for any procurement made in violation of the standing orders.
