Subject: - Construction of tube wells / hand pumps under MGNREGA.

Sir,

It has come to the notice that the tube wells / hand pumps in the garb of dug wells are being constructed in various Blocks of your District particularly Block B. K. Pora and Budgam. The cost of construction of such dug wells is two times than that of construction of a tube well.

Since as per Para 7.3.9 (i) of the guidelines digging of tube wells under MGNREGA is a negative activity and is not as such permissible, so you are directed to stop such construction of dug wells immediately. Any deviation in this regard shall be the personnel responsibility of the concerned officer / official. In case any authority has been issued in this behalf, the same be cancelled immediately.

Yours faithfully

Director
