Subject: - Erecting of Signboards.

CIRCULAR

It has been observed that despite repeated instructions the sign boards are not being erected for developmental works under MGNREGA and other schemes being executed by Rural Development Department with the result neither we are in a position to project our performance nor there is any transparency though it is mandatory as per guidelines of MGNEGA.

As such, it is impressed upon all officers to ensure erection of proper sign boards depicting name of work, cost involved, year of execution and scheme on standard sign board with uniform blue and white colour combination for all works. However where there is scope to display the details on wall, preference should be given to that one. ~~on wall~~. In future if any work is found without sign board strict action shall be initiated against erring officer/official.
