Ref:- This office order No. 745 DRDK of 2012, 735 DRDK of 2012, dated:-

Sir,

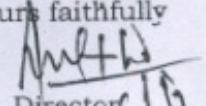

Vide above quoted orders promotions of employees under various categories were made subject to the condition that the concerned DDO shall draw the revised pay in the grade of promoted post of the promotee ONLY after satisfactory report from this Directorate regarding vigilance clearance & genuineness of graduation/category certificates is received by the DDO. Till such time the promotee shall continue to receive his previous pay. Any negligence on the part of DDO of releasing the revised pay without receiving report from this Directorate shall be personal responsibility of DDO & shall be recoverable from the DDO. Besides, the concerned DDO shall obtain the original graduation degree certificates / reserved category certificates from the promotee who have been promoted against Graduate quota or reserved category quota or both & forward the same to this Directorate for verification within 10 days from their joining. In case the promotee fails to submit these certificates, the concerned DDO shall inform this Directorate so that the Promotion order is cancelled accordingly.

In addition to above, you were also requested to furnish 10 years posting details of the promotees so that the Vigilance Clearance from VOK is obtained. However, the Administrative Department has asked to obtain full posting details of the employees without any missing links from the date of the initial appointment of the promotee for onward submission to the General Administration Department (Vigilance) for their examination and issuance of Vigilance Clearance.

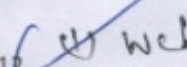

Despite lapse of considerable time, nothing has been heard from your end with the result this office could not get the certificates verified, besides Vigilance Clearance obtained.

You are requested to look-into the matter personally and furnish the requisite certificates/ posting details of the promotees to this office within weeks' time, failing which you **shall be personally responsible** for any untoward consequence. Further, you are instructed to ensure that the conditions laid down in the promotion orders are strictly abided and followed by you and DDOs working under your control.

Yours faithfully
